

Seven Day Centering Prayer Silent Retreat

Forgiveness – a Process of Love and Healing

We encourage you to set aside time next spring to join us in a new setting - the lovely Bethlehem Retreat Centre on Vancouver Island. Draw from the well of silence and solitude, allow the Living Christ to quench our spiritual thirst and heal us from within. Teaching will be offered on the process of forgiveness. We will also offer retreatants the opportunity for individual healing prayer and the divine energy work of Healing Touch by experienced practitioners with Healing Pathways.

Bethlehem Retreat Centre, Nanaimo, BC

The Centre is located on seven acres on Westwood Lake with delightful views over the water and hills beyond. You may enjoy the excellent trails and quiet surroundings.
